Please cut and paste this form into a word doc. or email and email to: GKKAnimalrescue@aol.com

Please Note:

GKK Animal Rescue is a holistic rescue -

this includes high quality feeding and non-toxic treatments where possible, please get in touch if you would like more information about this.

All prospective foster/forever homes are home-checked, with follow up home-checks for adopters.

We do not home animals where there are people who smoke indoors.

To enable us to continue to rescue animals we do ask for an adoption fee when re-homing.
